Dear Erin,

Thank you so much for your interest to speak at the Google DevFest in Perth that will be held on the 29th Nov 2019. Would you be interested to give a talk or to give a code lab as well? Please kindly advise, so we can organize the slots for you.

We are happy to accept your proposal. Please kindly move forward with your travel request for GDE.

I look forward to meeting you soon in Perth.

Kind regards,

--
